By agreement of the Georgia Composite Medical Board (“Board”) and Jacob William Watters, DO (“Applicant”), the following disposition of this matter is entered pursuant to O.C.G.A. Title 43, Chapters 1 and 34.

FINDINGS OF FACT

1.

On or about July 12, 2012, Applicant was issued a license to practice medicine in the State of Georgia. On August 31, 2017, Applicant’s license lapsed for failure to renew, upon expiration of the late renewal period.

2.

On or about November 12, 2022, Applicant submitted an application for reinstatement of Applicant’s physician license with the Board. Applicant’s last date of practice was in November of 2015, and the Post-Licensure Assessment System (“PLAS”) assessment was recommended. On or about July 11-12, 2024, Applicant passed the PLAS assessment. However, recommendations, prior to the issuance of a full unrestricted license, were made.

3.

Applicant admits the above findings of facts and waives any further findings of fact with respect to this matter.

CONCLUSIONS OF LAW

Reinstatement of Applicant's license to practice medicine in Georgia under O.C.G.A. Ch. 34, T. 43, as amended, is within the sole discretion of the Board. The Applicant hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Board, having considered the application for reinstatement of Applicant's license, hereby orders and Applicant hereby agrees as follows:

1.

Beginning on the effective date of this Consent Agreement, Applicant's license to practice medicine in the State of Georgia shall be reinstated under a formal period of monitoring by the Board subject to the following terms:

- (a) Coursework. Within **six (6) months** of the docket date of this Consent Agreement, Applicant shall complete **45 hours of a Board approved pharmacology course, or course(s) that includes at least 3 continuing medical education (CME) hours focused on diabetes management**. Said course shall not be used as CME hours for renewal. Documentation for approval of and to evidence completion of coursework may be sent to Latisha Bias, Director of Compliance, via email to latisha.bias@deh.ga.gov, or as otherwise directed by the Board. Failure to submit documentation of completed coursework in a timely manner shall be considered a violation of this Consent Agreement.
- (b) Direct Supervision. Applicant shall only practice medicine in the same office as and under the direct supervision of a Board approved physician ("supervising physician"), who shall also function as an educational preceptor for Applicant. Applicant shall

provide a copy of this Agreement to the supervising physician, who shall submit a letter to the Board indicating he/she has received a docketed copy of this Agreement and agrees to serve as Applicant's supervising physician upon approval of the Board. Applicant shall not practice medicine until he has received notice of approval from the Board.

- (c) Monthly Reports. Applicant shall submit, or cause to be submitted written, monthly reports to the Board from the supervising physician regarding Applicant's clinical practice, including but not limited to hours worked, number of patients seen, and the supervising physician's opinion on Applicant's ability to practice medicine with reasonable skill and safety to patients. The reports shall also address the supervising physician's opinion on Applicant's medical knowledge and steps Applicant has taken to improve his medical knowledge. The reports shall be due by the end of the month, commencing on the first reporting date following the effective date of this Order and continuing while this Agreement is in effect. Monthly reports may be sent to Latisha Bias, Director of Compliance, via email to latisha.bias@dch.ga.gov, or as otherwise directed by the Board. Failure to submit or have such reports submitted in a timely manner shall be considered a violation of this Consent Agreement.
- (d) Subscription. Applicant shall subscribe to Up to Date or another comparable current best practice reference resource.
- (e) Change of Address or Employment. Applicant shall notify the Board in writing of any change in address or employment within 10 (ten) days of the change.
- (f) Abide by Laws, Rules, and Terms. Applicant shall abide by all State and Federal laws regulating the practice of medicine, the Rules and Regulations of the Board, and the

terms of the Consent Agreement. If Applicant shall fail to abide by any of the terms of this Consent Agreement, such laws or rules, or should Applicant violate the criminal laws of the State and/or the terms of supervised release and/or criminal probation, if any, Applicant's license shall be subject to discipline, including revocation, upon substantiation thereof after notice and hearing, and if revoked, the Board in its discretion may determine that the license should be permanently revoked and not subject to reinstatement.

(g) Petition to Terminate Agreement. **After six (6) months from the effective date of this Agreement**, Applicant shall be eligible to petition the Board to terminate the Agreement. Applicant's petition shall include a letter of support from his supervising physician. At such time, Applicant may petition for lifting of said limitation by certifying under oath before a notary public that Applicant has complied with all conditions of this Agreement and has advocacy that he can practice medicine independently. The Board shall review and evaluate the practice of Applicant prior to terminating this Agreement. At such time, should the Board determine that reasonable cause exists for maintaining or adding any terms or conditions on Applicant's license, including but not limited to additional supervision or adding a period of additional monitoring, the Board shall notify Applicant of its intent to modify this Agreement to impose any terms deemed necessary at the time of Applicant's petition, and Applicant may respond to such notice in writing or request an appearance before the Board as in a non-contested case. This Consent Agreement shall remain in effect pending a final determination by the Board and notification that it has been terminated.

2.

This Consent Agreement shall be considered a public record of the Board, but shall not be considered a disciplinary action by the Board and shall not be reported as such to the Federation of State Medical Boards, the National Practitioner Data Bank or any other governmental agency.

3.

Applicant acknowledges that Applicant has read this Consent Agreement and that he understands its contents. Applicant understands that he has the right to an appearance before the Board in this matter, and Applicant freely, knowingly and voluntarily waives such right by entering into this Consent Agreement. Applicant further understands and agrees that a representative of the Department of Law may be present during the presentation of this Consent Agreement and that the Board shall have the authority to review the application file and all relevant evidence in considering this Consent Agreement. Applicant understands that this Consent Agreement will not become effective until accepted and docketed by the Georgia Composite Medical Board. Applicant consents to the terms contained herein.
