PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board ("Board") and JASON ALFRED GARDINER, MD ("Respondent") the following disposition of this disciplinary matter is entered pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A § 50-13-13(a)(4), as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice medicine as a physician in the State of Georgia and was so licensed at all times relevant to the matters asserted herein. The Board issued Respondent a license on April 4, 2003, and is currently active with a specialty in emergency medicine.

2.

On or about December 12, 2024, the Board's Investigator interviewed Nurse Practitioner Jaimi Marie Norrell ("NP Norrell") regarding her practice, Full Circle Health & Wellness ("the Practice"). NP Norell is a Nurse Practitioner and Midwife and owned the Practice, which is a telemedicine practice primarily providing weight management treatment. The investigation revealed that Respondent served as the Practice's medical director since it opened in 2021. In addition, Respondent served as NP Norell's collaborating physician. Respondent's duties included reviewing cases and treatment plans and discussing any issues or concerns with NP

Norrell. Respondent reviewed medical records and visited the Practice in Warner Robins once every three months though Respondent and NP Norell spoke monthly. Respondent did not perform medical procedures at the Practice. NP Norell indicated she had a protocol agreement with Respondent and her prescriptions did not need to be signed by a physician.

3.

Under O.C.G.A. § 43-34-25(n), a physician cannot be an employee of an advanced practice registered nurse if the physician is required to supervise the employing advanced practice registered nurse. On or about January 7, 2025, the Board initiated an investigation into Respondent based on allegations that he was paid for his services as the medical director of the Practice and served as NP Norrell's collaborating physician

4.

On or about January 16, 2025, the Board's Investigator interviewed Respondent. The Board's investigation found that Respondent was paid approximately five hundred dollars (\$500.00) for his dual services as medical director and collaborating physician. Respondent informed the Investigator that he did not provide any medical services other than reviewing NP Norrell's charts. Respondent stated he was unaware that he could not be both the Practice's medical director and NP Norrell's collaborating physician.

5.

On or about January 21, 2025, Respondent wrote a letter to NP Norell informing her that starting February 1, 2025, he would no longer receive compensation and from February 1, 2025, through May 1, 2025, he would continue his role without compensation to allow time for the Practice to establish alternative options to comply with Board rules.

6.

On or about February 3, 2025, Respondent submitted the Advanced Practice Registered Nurse Protocol Agreement Termination Notification Form to become effective on March 17, 2025. On or about February 7, 2025, Respondent informed the Board's investigator the termination request was accepted by NP Norell.

7.

Respondent admits the above findings of fact and waives any further findings of fact with respect to the above-styled matter.

CONCLUSIONS OF LAW

Respondent's conduct, if proven, constitutes sufficient grounds for the imposition of discipline upon his license to practice as a licensed physician in the State of Georgia, under O.C.G.A. Title 43, Chapters 1 and 34, as amended. Respondent hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

Jones, Executive Director, Georgia Composite Medical Board, 2 Martin Luther King Jr. Drive SE, East

Tower, 11th Floor, Atlanta, GA 30334. **Failure to pay the fine within the stated time period shall be deemed a violation of this Consent Order and shall subject Respondent' s license to further disciplinary action, including revocation.**

2. Coursework. Within **ninety (90) days** of the docket date of this Consent Order, the Respondent shall provide to the Board proof of successful completion of **fifteen (15) hours** of the following medical education courses: 1) Medical Ethics for Physicians; and 2) APRN and physician collaborative models of care. Documentation of successful completion of the medical education courses shall be submitted via email to: Latisha Bias at latisha.bias@dch.ga.gov. Alternatively, documentation may be submitted via mail to: Latisha Bias, Compliance Manager, Georgia Composite Medical Board, 2 Martin Luther King Jr. Drive SE, East Tower, 11th Floor, Atlanta, GA 30334. **Failure to provide documentation of completion of the medical education course(s) within ninety (90) days shall be deemed a violation of this Consent Order and shall subject the Respondent's license to further disciplinary action.**

2.

In addition to and in conjunction with any other sanction contained herein, this Consent Order and dissemination thereof shall serve as a **PUBLIC REPRIMAND** to the Respondent for Respondent' s conduct.

3.

If the Respondent shall fail to abide by all state and federal laws relating to drugs and regulating the practice of medicine in the State of Georgia, the Rules and Regulations of the Georgia Composite Medical Board, the terms of this Consent Order, or if it should appear from information received by the Board that the Respondent is unable to practice as a physician with

reasonable skill and safety, Respondent's license may be further sanctioned or revoked, upon substantiation thereof.

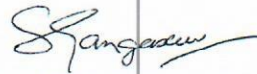

4.

Respondent acknowledges that he has read this Consent Order and understands its contents. Respondent understands that this Consent Order will not become effective until approved by the Georgia Composite Medical Board and docketed by the Board. Respondent further understands and agrees that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent understands that this Consent Order, once approved and docketed, shall constitute a public record, evidencing disciplinary action by the Board. However, if the Consent Order is not approved, it shall not constitute an admission against interest in this proceeding or prejudice the Board's ability to adjudicate this matter. PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board ("Board") and VISHALA REDDY, MD ("Respondent") the following disposition of this disciplinary matter is entered pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A § 50-13-13(a)(4), as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice medicine as a physician in the State of Georgia and was so licensed at all times relevant to the matters asserted herein. The Board issued Respondent a license on November 8, 2002, and continues to hold an active license with a specialty in nuclear medicine.

2.

Respondent practices in Cleveland Ohio at the Veteran Affairs Northeast Ohio Healthcare System ("the Facility"), which is where the malpractice incident took place. Respondent indicated she retired in June 2023, after working at the Facility for seventeen (17) years. During an investigative interview with the Board on March 6, 2025, Respondent stated she retired for reasons unrelated to the malpractice settlement.

3.

The malpractice settlement arose from the care of a 50-year-old woman who presented at the Facility's Emergency Room in early November of 2019 with complaints of elevated liver enzymes. On or about November 4, 2019, Respondent underwent a percutaneous needle liver biopsy. On or about November 5, 2019, a chest computed tomography ("CT") was done, which showed a concern for metastatic disease and a positron emission tomography ("PET") was recommended. Respondent analyzed the PET/CT scan and wrote a report on the findings, which noted a primary breast malignancy, hepatic metastases, and multiple metabolic lesions within the cervical vertebrae. The patient was then referred to Oncology and Palliative Care.

4.

On or about November 11, 2019, Respondent presented to the Facility again and a different provider had a portable chest x-ray performed on the patient, which noted a right-sided tension pneumothorax, and a chest tube was placed. An addendum to the PET/CT scan report by Respondent was amended and noted that "Upon re-review of images, pneumothorax on the right side is noted." The patient was then transferred to a Community Living Center and passed away on November 14, 2019.

5.

On or about August 24, 2022, Respondent settled a malpractice suit for twenty thousand dollars (\$20,000.00) for failure to timely diagnose and treat a right pneumothorax, which resulted in patient experiencing pain and discomfort. The Facility reported the malpractice settlement to the National Practitioner Data Bank on or about March 18, 2024.

6.

During the investigative interview with the Board, Respondent explained that she recognized the pneumothorax, but mistakenly forgot to note the pneumothorax on the report due to the number of abnormalities noted on the report. Respondent also explained that she is retired and no longer sees patients regularly, although she continues to visit the facility to treat patients when necessary.

7.

Respondent admits the above findings of fact and waives any further findings of fact with respect to the above-styled matter.

CONCLUSIONS OF LAW

Respondent's conduct, if proven, constitutes sufficient grounds for the imposition of discipline upon her license to practice as a licensed physician in the State of Georgia, under O.C.G.A. Title 43, Chapters 1 and 34, as amended. Respondent hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

1.

The Board, having considered all the facts and circumstances surrounding this case, hereby orders, and Respondent hereby agrees, that his license to practice medicine as a physician in the State of Georgia shall be subject to the following terms and conditions:

1. Fine. Within **ninety (90) days** of the docket date of this Consent Order, Respondent shall submit to the Board a fine in the amount of **three thousand dollars (\$3,000.00)**. Such fine shall be payable by cashier's check or money order made payable to the Georgia Composite Medical Board and shall be submitted via mail to: Jason S. Jones, Executive

Director, Georgia Composite Medical Board, 2 Martin Luther King Jr. Drive SE, East Tower, 11th Floor, Atlanta, GA 30334. **Failure to pay the fine within the stated time period shall be deemed a violation of this Consent Order and shall subject Respondent's license to further disciplinary action, including revocation.**

2. Coursework. Within **ninety (90) days** of the docket date of this Consent Order, the Respondent shall provide to the Board proof of successful completion of **ten (10) hours** of the following medical education course(s): 1) **CT Findings**; and 2) **Pulmonary Findings**. Documentation of successful completion of the medical education courses shall be submitted via email to: Latisha Bias at latisha.bias@dch.ga.gov. Alternatively, documentation may be submitted via mail to: Latisha Bias, Compliance Manager, Georgia Composite Medical Board, 2 Martin Luther King Jr. Drive SE, East Tower, 11th Floor, Atlanta, GA 30334. Failure to provide documentation of completion of the medical education course(s) within ninety (90) days shall be deemed a violation of this Consent Order and shall subject the Respondent's license to further disciplinary action.

2.

In addition to and in conjunction with any other sanction contained herein, this Consent Order and dissemination thereof shall serve as a **PUBLIC REPRIMAND** to the Respondent for Respondent's conduct.

3.

If the Respondent shall fail to abide by all state and federal laws relating to drugs and regulating the practice of medicine in the State of Georgia, the Rules and Regulations of the Georgia Composite Medical Board, the terms of this Consent Order, or if it should appear from information received by the Board that the Respondent is unable to practice as a physician with
