3

Applicant waives any further findings of fact with respect to this matter.

CONCLUSIONS OF LAW

Reinstatement of Applicant's license to practice as a respiratory care professional in Georgia under O.C.G.A. Ch. 34, T. 43, as amended, is within the sole discretion of the Board.

The Applicant hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Board, having considered the application for reinstatement of Applicant's license, hereby orders and Applicant hereby agrees as follows:

1.

Beginning on the effective date of this Consent Agreement (hereinafter "Agreement"), Applicant's license to practice as a respiratory care professional in the State of Georgia shall be reinstated and immediately be placed on PROBATION, for a period of five years, subject to the following terms:

(a) CHAPERONE. During the period of probation, Applicant shall have a chaperone present during all interactions with patients. Applicant shall further be required to maintain written documentation that a chaperone was present during all patient interactions. The Board shall be authorized to request proof of compliance with this provision at any time with this provision, upon notice. Failure to timely comply with a request for information pursuant to this paragraph shall be deemed a violation of the Agreement.

(b) ABIDE BY LAWS, RULES, AND TERMS. The Applicant shall abide by all State and Federal laws regulating the practice of medicine, the Rules and Regulations of the Board, and the terms of the Agreement. If the Applicant shall fail to abide by any of the terms of this Agreement, Applicant's license shall be subject to discipline, including revocation, upon substantiation thereof after notice and hearing.

(c) PETITION TO TERMINATE AGREEMENT. After five (5) years, Applicant shall be eligible to petition the Board to terminate the Agreement, by certifying under oath before

a notary public that Applicant has complied with all conditions of this Agreement. The Board shall review and evaluate Applicant's performance under and compliance with this Agreement prior to terminating this Agreement. At such time, should the Board determine that reasonable cause exists for maintaining or adding any terms or conditions on Applicant's license, the Board shall notify Applicant of its intent to continue or modify this Agreement to impose any terms deemed necessary at the time of the petition, and Applicant may respond to such notice in writing or request an appearance before the Board as in a non-contested case. This Agreement shall remain in effect pending a final determination by the Board and notification that it has been terminated.

2.

This Agreement shall be considered a public record of the Board and shall be disseminated as a disciplinary action of the Board and to entities as required under state and federal law authorizing or requiring such release, such as the National Practitioner Data Bank.

PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board ("Board") and Andrea N. Chancey, PA, Respondent, the following disposition of this matter is entered pursuant to O.C.G.A. § 50-13-13 (a) (4), *as amended*.

FINDINGS OF FACT

1.

Respondent is licensed as physician assistant in the State of Georgia and was licensed as physician assistant at all times relevant to the facts contained in this Order. Her license expires on January 31, 2022.

2.

On or about June 21, 2017, Respondent, freely and voluntarily, "without any degree of duress or compulsion," entered into a binding public Settlement Agreement, with the United States of America, acting through the United States Department of Justice, on behalf of the United States Drug Enforcement Administration.

3.

The Settlement Agreement alleges that Respondent, during the period from October 19, 2012 through February 10, 2015, was dispensing or distributing Schedule II controlled

substances without legal authority when she completed and issued prescriptions that a physician had signed but otherwise left blank.

4.

Respondent admits the above findings of fact and hereby waives any further findings of fact with respect to the above-styled matter.

CONCLUSIONS OF LAW

Pursuant to Ga. Comp. R. & Regs 360-5-.05 (8)(a), a physician assistant may not issue a written prescription for a Schedule II controlled substance, nor may the physician assistant prepare such a prescription for administration of a Schedule II controlled substance that has been pre-signed by the primary or alternate supervising physician.

O.C.G.A. § 43-34-8 (a)(7) gives the Board the authority to discipline a person regulated under Title 43, Chapter 34, for engaging in any unprofessional, unethical, deceptive, or deleterious conduct or practice harmful to the public, which need not have resulted in actual injury to any person. "Unprofessional conduct" includes any departure from, or failure to conform to, the minimum standards of acceptable and prevailing medical practice and shall also include, but not be limited to, the prescribing or use of drugs which are detrimental to the patient as determined by the minimum standards of acceptable and prevailing medical practice or by rule of the board.

O.C.G.A. § 43-34-8 (a)(10) gives the Board the authority to discipline a person regulated under Title 43, Chapter 34 for violating a law, rule, or regulation of this state, any other state, the board, the United States, or any other lawful authority without regard to whether the violation is criminally punishable, when such law, rule, or regulation relates to or in part regulates the

practice of medicine, when the licensee or applicant knows or should know that such action violates such law, rule, or regulation.

Respondent's conduct constitutes sufficient grounds for the imposition of discipline upon her license to practice as a physician assistant in the State of Georgia under O.C.G.A. Title 43, Chapters 1 and 34, as amended. Respondent hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Board, having considered all the facts and circumstances of this case, hereby orders, and Respondent hereby agrees, to the following terms:

1.

Respondent shall submit to the Board a fine in the amount of five hundred dollars (\$500.00) to be paid by cashier's check or money order made payable to the Board by certified check or money order to the Georgia Composite Medical Board **within ninety (90) days** of the effective date of this Order. Failure to pay the fine as provided herein shall be considered a violation of this Order, and may result in further sanctioning of Respondent's authority to practice as a physician assistant in the future, including revocation, upon substantiation thereof.

2.

Respondent shall abide by all state and federal laws regulating the practice of medicine, the Rules and Regulations of the Board, and the terms and conditions of this Consent Order. If Respondent shall fail to abide by such laws, rules, terms or conditions of this Consent Order, or if it should appearing from reports, inspections or other information submitted to the Board that Respondent is otherwise unable to practice as a physician assistant with reasonable skill and

safety to patients, Respondent's license shall be subject to further discipline, including revocation, upon substantiation thereof after notice and hearing.

3.

All reports and submissions required under this Consent Order shall be sent to the attention of the Executive Director, Georgia Composite Medical Board, 2 Peachtree Street, NW, Atlanta, Georgia, 30303 or any subsequent address of the Board.

4.

This Consent Order shall constitute a PUBLIC REPRIMAND of Respondent and may be disseminated by the Board as a public disciplinary action.

5.

Respondent also understands that pursuant to O.C.G.A. Title 43, Chapter 34A, the contents of this order shall be placed on Respondent's Physician Assistant Profile and reported as required by state and federal agencies, including but not limited to the National Practitioners Data Bank. Furthermore, by executing this Consent Order, Respondent hereby agrees to permit the Board to update the Physician Assistants Profile reflecting this Consent Order.

6.

Respondent acknowledges that she has read and understands the contents of this Consent Order. Respondent understands that she has the right to a hearing in this matter, and Respondent freely, knowingly and voluntarily waives such right by entering into this Consent Order.

Respondent understands that this Consent Order will not become effective until approved and docketed by the Georgia Composite Medical Board. Respondent further understands and agrees that a representative of the State Department of Law may be present during the presentation of this Consent Order and that the Board shall have the authority to review the investigative file and

all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order, once approved, shall constitute a public record that may be disseminated as a disciplinary action of the Board. If this Consent Order is not approved, it shall not constitute an admission against interest in this proceeding, or prejudice the ability of the Board to adjudicate this matter. 20210066

PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board ("Board") and ANGELA L. MCDOWELL, D.O. ("Respondent"), the following disposition of this disciplinary matter is entered pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A § 50-13-13 as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice medicine in the State of Georgia and was so licensed at all times relevant to the facts stated herein.

2.

Respondent provided obstetrical care to patient A.F., who was pregnant with twins. At the time of delivery, the demise of Twin A was noted.

3.

Respondent's medical care of A.F. was evaluated by a Board-appointed consultant who concluded that, while Respondent's patient care would not have changed the outcome of the demise of Twin A, Respondent's diagnosis, treatment, and records departed from and failed to

MM

conform to the minimal standards of acceptable and prevailing medical practice in the following ways:

- i. Respondent failed to document that she addressed or discussed the patient's obesity and risk thereof to the pregnancy;
- ii. An elevated blood pressure was noted on 05/22/2015, but there was no diagnosis or evaluation documented nor was repeat blood pressure documented;
- iii. The visit on 06/08/2015 had no vital signs documented despite an elevated blood pressure on 05/22/2015.
- iv. Urine culture was not performed at the initial visit; and two urinalysis results that were abnormal during the pregnancy were not evaluated; Respondent was aware of the protein in the urine because she listed "baseline" proteinuria on the referral to a maternal fetal specialist; and
- v. There was no lab follow up regarding Ph status.

4.

Respondent does not admit the above findings of fact but waives further findings and agrees to the entry of this Order in order to resolve the pending allegations.

CONCLUSIONS OF LAW

Respondent's conduct constitutes sufficient grounds for the Board to exercise disciplinary authority under O.C.G.A. Chs. 1 and 34, T. 43, as amended, and the Rules of the Georgia Composite Medical Board. Respondent waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Board, having considered the particular facts and circumstances of this case, hereby orders and Respondent hereby agrees to the following:

1.

Within six months of the effective (docket) date of this Order, Respondent shall obtain ten (10) hours of continuing medical education (CME) in the area of high risk obstetrics. These hours shall be in addition to CME requirements for license renewal and may not be used to fulfill

any continuing education hours for license renewal. Respondent shall provide written evidence of successful completion of the ten (10) hours of CME to the Board within six (6) months of the effective date of this Order. Failure to complete the ten (10) hours of CME and provide evidence of completion to the Board shall constitute a violation of this Consent Order and may result in further disciplinary action.

2.

Within thirty (30) days of the effective date of this Consent Order, Respondent shall pay administrative fees to the Board in the amount of eight hundred dollars (\$800.00) as reimbursement to the Board of expenses incurred in the investigation of this matter, which expenses do not include time spent by the investigative division of the Board. Said fees shall be payable by certified check or money order to the Board, and shall be submitted to the attention of the Executive Director, Georgia Composite Medical Board, 2 Peachtree Street, N.W., 6th Floor, Atlanta, Georgia, 30303. Failure to pay the entire amount by the thirtieth (30th) day shall be considered a violation of this Consent Order and shall result in further sanctioning of Respondent's license, including revocation, upon substantiation.

3.

Within thirty (30) days of the effective date of this Consent Order, Respondent shall submit to the Board a fine in the amount of three thousand dollars (\$3,000.00) to be paid in full by cashier's check or money order payable to the Board. Said fine shall be submitted to the attention of the Executive Director, Georgia Composite Medical Board, 2 Peachtree Street, N.W., 6th Floor, Atlanta, Georgia, 30303. Failure to pay the entire amount of the fine by the 30th day shall be considered a violation of this Consent Order and shall result in further sanctioning of Respondent's license, including revocation, upon substantiation thereof.

4.

This Consent Order and the dissemination thereof shall constitute a public reprimand to the Respondent for her conduct.

5.

Respondent understands that pursuant to O.C.G.A. Title 43, Chapter 34A, the contents of this Consent Order shall be placed on Respondent's Physician Profile. Furthermore, by executing this Consent Order, Respondent hereby agrees to permit the Board to update the Physician's Profile reflecting this Consent Order.

6.

Approval of this Order by the Board shall in no way be construed as condoning Respondent's conduct and, except as provided herein, shall not be construed as a waiver of any of the lawful rights of the Board.

7.

Respondent acknowledges that she has read and understands the contents of this Consent Order. Respondent understands that she has the right to a hearing in this matter, and Respondent freely, knowingly and voluntarily waives such right by entering into this Consent Order. Respondent further understands and agrees that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order, once approved and docketed, shall constitute a public record and may be disseminated as such. However, if the Consent Order is not approved, it shall not constitute an admission against interest in the proceeding, or prejudice the right of the Board to adjudicate the matter.
