VOLUNTARY SURRENDER

I, LARRY TUFANI MABINE, holder of License No. 53994 to practice medicine in the State of Georgia pursuant to O.C.G.A. Ch. 34, T. 43, as amended, hereby freely, knowingly and voluntarily surrender said license to the Georgia Composite Medical Board. I hereby acknowledge that this surrender shall be considered to be and have the same effect as a revocation of my license, and I knowingly forfeit and relinquish all right, title and privilege of practicing medicine in the State of Georgia, unless and until such time as my license may be reinstated, in the sole discretion of the Board.

I acknowledge that I have read and understand the contents of this Voluntary Surrender. I understand that I have a right to a hearing in this matter, and I hereby freely, knowingly and voluntarily waive such right. I also understand that should the Board entertain any request for reinstatement, the Board shall have access to any investigative or medical information regarding me. I further understand that upon applying for reinstatement, it shall be incumbent upon me to demonstrate to the satisfaction of the Board that I am able to practice medicine with reasonable skill and safety to patients, and that the Board may investigate my conduct since the time of the surrender of my license. PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board (“Board”) and STEFANIE PARKER, P.A. (“Respondent”), the following disposition of this matter is entered pursuant to O.C.G.A. § 50-13-13(a)(4), as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice as a physician assistant in the State of Georgia. Respondent’s license was issued on June 9, 2017 and expires on October 31, 2020. Respondent was licensed at all times relevant to the matters stated herein.

2.

On or about May 31, 2019, Respondent entered a plea of guilty to one count of Unlawful Use of DEA Registration Number Issued to Another Person in violation of 21 U.S.C. § 843(a)(2) in the United States District Court for the Southern District of Georgia (Case # 4:19CR97-1). Respondent admits that she knowingly and intentionally used a registration number issued to another person for the purpose of acquiring and obtaining Dextroamphetamine-Amphetamine 25mg tablets and Dextroamphetamine-Amphetamine 10mg tablets on or about October 15, 2018.

3.

On or about October 10, 2019, Respondent was sentenced to two years of probation, ordered to complete forty hours of community service, ordered to submit to substance abuse testing, and ordered to participate in a mental health treatment program.

CONCLUSIONS OF LAW

Respondent's conduct constitutes sufficient grounds for the imposition of discipline upon her license to practice as a physician assistant in the State of Georgia under O.C.G.A. Title 43, Chapters 1 and 34, as amended. Respondent hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Board, having considered all the facts and circumstances of this case, hereby orders, and Respondent hereby agrees, that the following sanctions shall be imposed upon Respondent's license to practice as a physician assistant in the State of Georgia:

1.

Beginning on the effective date of this Consent Order, Respondent's license shall be subject to the following terms and conditions:

- (a) SUSPENSION. Respondent's license to practice as a physician assistant in the State of Georgia shall be suspended for a period of three (3) months commencing on the effective date of this Consent Order. During the period of suspension, Respondent shall not use the title physician assistant or "P.A.;" or otherwise engage in the performance of tasks of a physician assistant, as defined in O.C.G.A. § 43-34-102(7).
- (b) PRESCRIBING COURSE. Within six (6) months of docketing of this Consent Order, Respondent shall enroll in and successfully complete the mini-residency program entitled

“Appropriate Prescribing of Controlled Substances” sponsored by the Mercer University College of Pharmacy, or a similar course pre-approved by the Board. This coursework shall be in addition to continuing medical education (CME) requirements and may not be used to fulfill any continuing education hours for license renewal. Respondent shall provide written evidence of successful completion of this course to the Board within six (6) months of the effective date of this Order.

(c) REPORTING RESPONSIBILITY. It shall be the responsibility of the Respondent to ensure that all reports, other documentation, and information required by this Consent Order are submitted to the Executive Director, Georgia Composite Medical Board, 2 Peachtree Street, N.W., 6th Floor, Atlanta, Georgia, 30303. Respondent’s failure to submit or cause to be submitted any required documentation or information in a timely manner shall be deemed a violation of this Consent Order.

2.

This Consent Order and dissemination thereof shall constitute a PUBLIC REPRIMAND of Respondent by the Board.

3.

Respondent shall abide by all State and Federal laws regulating the practice of medicine or relating to drugs, the Rules and Regulations of the Georgia Composite Medical Board and the terms of this Consent Order. If Respondent shall fail to abide by such laws, rules or terms, or should Respondent violate any criminal laws, including any term of probation, if any, Respondent’s license shall be subject to further discipline, including revocation, upon substantiation thereof after notice and hearing, and if revoked, the Board in its discretion may determine that the license should be permanently revoked and not subject to reinstatement.

Respondent further agrees that any violation of this Consent Order shall be deemed to be sufficient to authorize the Board to order summary suspension of Respondent's license, pending further proceedings, pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A. § 50-13-18(c)(1), or any other statute authorizing emergency action, but Respondent understands that Respondent shall be entitled to an expedited hearing to substantiate such violation(s), if the Board exercises such right.

4.

Respondent acknowledges that Respondent has read this Consent Order and understands its contents. Respondent understands that Respondent has the right to a hearing in this matter and freely, knowingly and voluntarily waives that right by entering into this Consent Order. Respondent understands and agrees that a representative of the Department of Law may be present during the Board's consideration of this Consent Order and that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order will not become effective until approved and docketed by the Board. Respondent understands that this Consent Order, once approved and docketed, shall constitute a public record, evidencing disciplinary action by the Board that may be disseminated as such. However, if this Consent Order is not approved, it shall not constitute an admission against interest in this proceeding, or prejudice the right of the Board to adjudicate this matter. Respondent hereby consents to the terms and sanctions contained herein.
