Dear Nurse, Yoon:

The Georgia Composite Medical Board reviewed your APRN Protocol Agreement and determined that it meets the provisions of O.C.G.A. 43-34-25. A protocol agreement under O.C.G.A. 43-34-25 supersedes any protocol agreement under O.C.G.A. 43-34-23 that the delegating physician may have with the same APRN. Your APRN Protocol number is **63089**.

You are now eligible to apply for a DEA number. You may be required to submit a copy of this letter as proof of your protocol review to the DEA, so that your request can be processed.

Also, on our website please find Form B – the Termination Notification form. This form should be completed and returned to our office within ten (10) working days of the date of the termination of the nurse protocol agreement between the delegating physician and the APRN.

Our website is www.medicalboard.georgia.gov.

If you have any questions or concerns, please feel free to send an email to DCH.APRN@DCH.GA.GOV.

Sincerely,

Daniel R. Dorsey
