WELLNESS COMMITTEE REPORT

The Wellness Committee report was presented as a motion by Dr. Dalton and was seconded by Dr. Marshall. The Board accepted the report by unanimous vote. The Board took the following actions:

Accepted the PHP Report

Other Business:

- 20201420 – Request interview
- The approved facilities lists are still under review.

APPEARANCES BEFORE THE BOARD

Cheryl Wingate, MD appeared before the Board to appeal the Board's decision to deny her reinstatement application for a physician license based on a history of disciplinary actions taken by other states and not having engaged in the clinical practice of medicine for over 30 consecutive months.

Dr. Marshall made a motion, seconded by Dr. Antalis, to reconsider the application after obtaining (1) proof of reinstatement of her Michigan license, (2) proof of release from the OIG list, and (3) results from the CPEP evaluation. The motion carried unanimously.

OTHER BUSINESS

Ms. Faucher informed the Board that the American Association of Physician Assistants voted at a recent conference to change its name from American Association of Physician Assistants to American Association of Physician Associates. Ms. Faucher also informed the Board that Berry College has created a Physician Associate program. The laws and rules of Georgia recognize physician assistants, not physician associates. The Board requested that a letter be drafted and sent to Berry College regarding this matter.

ADJOURNMENT

There being no further business, motion Dr. Marshall, seconded by Dr. Dalton, to adjourn the meeting at 12:48 PM.
