## MEMORANDUM FOR IMMEDIATE RELEASE

**TO:** Licensees, Stakeholders, and Members of the Public

**FROM:** Jason S. Jones, Executive Director

**DATE:** June 17, 2025

**SUBJECT:** Transition to New Licensing Portal

The Georgia Composite Medical Board (GCMB) is announcing the upcoming deactivation of its current online licensing portal, effective **Monday, June 30, 2025, at 11:59 p.m.** This decision is part of the Board's ongoing commitment to improving services for licensees and the public by implementing a new and more advanced licensing database.

The new system is designed to enhance performance, improve user experience, and streamline the application and renewal process. During this transition, the current licensing portal will be inaccessible, and online licensing services will be temporarily unavailable.

We anticipate that the new licensing portal will go live on **Monday, July 7, 2025**. All users are strongly encouraged to complete any urgent or time-sensitive transactions prior to the June 30 shutdown to avoid delays.

The Board understands the inconvenience that a temporary outage may cause and appreciates your patience and cooperation as we complete this important system upgrade. We are confident that the improvements will result in a more efficient and reliable experience for all who interact with our licensing system.

For updates throughout the transition period, please monitor the Board's website at <https://medicalboard.georgia.gov/>. Should you have any questions or require assistance, please don't hesitate to contact us at <https://gcmb.nextrequest.com/>.

**Sincerely,**

**Jason S. Jones**  
Executive Director  
Georgia Composite Medical Board
