NURSE PROTOCOL ADVISORY COMMITTEE

Dr. Norman presented the Nurse Protocol Report:

The Board took the following actions:

The Committee recommended the following:

1. Quick question, if the supervising MD of the APRN is not a psychiatrist but is licensed as an addictionologist, Internal Medicine and Family Physician can I perform initial psychiatric evaluations for patients at a detox residential center that are there for substance abuse detox? Should I add it as a procedure under the current protocol I have with the MD? It is within my scope of practice as a Psych NP, I am double boarded as an FNP and Psych NP. I have asked the MD and he is comfortable with it, but I wanted to ask you if you had any insight into that.
This is acceptable.

The following Form C's were approved:
