

## Respiratory Care C.E.U. Credits

If you attend a seminar that has the approval of any of (or is sponsored by) any of the following organizations, the credit hours obtained can be applied toward license renewal:

American Association for Respiratory Care (AARC)

American College of Chest Physicians (ACCP)

American Heart Association (only the following programs are acceptable) and may only count for 25% of the 30 hours (or 7.5 hours) of CEU's to renew your RCP. The following hours are for initial certification. Recertification hours are ½ or 50% of the hours listed below.

Basic Life Support	8.0 hours
Pediatric Basic Life Support	8.0 hours
Pediatric Perinatal Exam	2.0 hours
Advanced Cardiac Life Support	16.0 hours
Basic Life Support Instruction	16.0 hours
Basic Life Support Instruction Trainer	8.0 hours
Advanced Cardiac Life Support Instruction	8.0 hours
Basic Trauma Life Support	16.0 hours
Neonatal Resuscitation Program	8.0 hours
S.T.A.B.L.E. Program	8.0 hours

Heart Code (R) BLS

Heart Code(R) ACLS

Heart Code (R) PALS

PEARS (R)

American Society for Anesthesia (ASA)

American Thoracic Society (ATS)

Georgia Nursing Association (GNA) - all programs approved by the Georgia Nursing Association (which are directly related to respiratory care). If the RCP is employed in hyperbarics or sleep lab, GNA courses directly related to those fields will be accepted. Only 7.5 hours or 25% of the total CEU's can comprise the renewal of the RCP license.
