ORDER OF SUMMARY SUSPENSION

1.

Sandra L. Chapkowski, M.D. ("Respondent") was licensed by the Georgia Composite Medical Board ("Board") to practice as a physician in the State of Georgia on or about February 4, 1999. Respondent currently holds an unrestricted license to practice medicine, which expires on December 31, 2016.

2.

Respondent's address of record with the Board is in Atlanta, Georgia.

3.

Respondent has a history of chemical and/or alcohol dependence and her license was placed on periods of probation at various times between the years 1999 and 2014.

4.

The Board received reliable information that Respondent had agreed not to practice medicine as part of an ongoing treatment and/or aftercare program beginning in or about September 2015.

5.

On or about May 30, 2016, the Board received reliable information that Respondent was arrested in DeKalb County on or about May 12, 2016 and charged with two felony counts involving controlled substances that involved the writing of prescriptions.

6.

The Board further received reliable information that Respondent's current whereabouts are unknown but that she may be in a treatment facility.

The Board finds that in light of the Respondent's history of chemical and/or alcohol dependence and the fact that her current whereabouts are unknown and she holds an active, unrestricted license to practice medicine in the State of Georgia, the public health, safety, or welfare imperatively requires emergency action.

THEREFORE, pursuant to O.C.G.A. § 50-13-18(c)(1), the Board ORDERS that Respondent's license to practice medicine in the State of Georgia be SUMMARILY SUSPENDED pending further proceedings on behalf of the Board for revocation or other action or further orders of the Board.

If the Respondent wishes to have an expedited hearing, Respondent shall execute and file with the Georgia Composite Medical Board the original and one copy of the attached REQUEST FOR EXPEDITED HEARING no later than fourteen (14) days from the day of service or receipt of this Order. Respondent also shall serve a copy of such REQUEST upon counsel for the Board as identified in the REQUEST.

This Order is signed and attested by the Executive Director on behalf of the Georgia Composite Medical Board.

ORDER OF SUMMARY SUSPENSION

1.

Andrew Ben-Hua Chung, M.D. ("Respondent") was licensed by the Georgia Composite Medical Board ("Board") to practice as a physician in the State of Georgia on or about August 3, 1995 and his license expires July 31, 2017.

2.

On or about May 16, 2016, the Board issued a confidential Order for Mental/Physical Examination requiring Respondent to obtain a comprehensive, multidisciplinary mental/physical examination by a Board approved physician/facility with expertise in the area of psychiatric evaluation, to include neuropsychological and neurocognitive testing and evaluation. The Order for Mental/Physical Examination was issued following the Board's receipt and review of information regarding Respondent's behavior and speech that raised concern about Respondent's ability to practice medicine with reasonable skill and safety. For example, Respondent refuses to speak with an individual unless he/she specifically states he/she is "wonderfully hungry".

3.

A Board investigator personally served Respondent with the Order for Mental/Physical Examination on or about May 16, 2016.

4.

The Board Order further required the Respondent to submit to said examination with seven (7) days of service of the Order or to provide a release for the results of a substantially equivalent evaluation conducted no more than thirty (30) days prior to the date of service of the Order; the Order required Respondent to execute such release as the institution or practitioner may require for the release of his medical examination records to the Board.

5.

As of the date of the instant Order, the Board has not received the results of a mental/physical examination of Respondent.

NOW THEREFORE, based on Respondent's failure to comply with a lawful Order of the Board, the Board finds that summary suspension of Respondent's license to practice as a physician in the State of Georgia is warranted under O.C.G.A. § 50-13-18(c)(1), and hereby ORDERS that Respondent's license to practice as a physician in the State of Georgia be and is hereby SUMMARILY SUSPENDED pending further proceedings on behalf of the Board.

If the Respondent wishes to have an expedited hearing, Respondent shall execute and file with the Georgia Composite Medical Board the original and one copy of the attached REQUEST FOR EXPEDITED HEARING no later than fourteen (14) days from the day of service or receipt of this Order. Respondent also shall serve a copy of such REQUEST upon counsel for the Board as identified in the REQUEST.

This Order is signed and attested by the Executive Director on behalf of the Georgia Composite Medical Board.

PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board (“Board”) and LISA MICHELE COHEN, M.D. (“Respondent”), the following disposition of the matter is entered into pursuant to the provisions of O.C.G.A. § 50-13-13 (a) (4), as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice medicine in the State of Georgia and was licensed as such at all times relevant to the matters stated herein. Respondent is also licensed to practice medicine in Massachusetts, California, Illinois, and over 20 other states.

2.

On or about February 19, 2015, the Respondent’s medical license in the Commonwealth of Massachusetts was admonished for Respondent’s failure to furnish the Board, its investigators or representatives information to which it was legally entitled. Specifically, on her 2011 licensure renewal application, Respondent responded to Question 17(a) in the negative when she should have responded in the affirmative. Question 17(a) asked whether Respondent had been charged with any criminal offense. Respondent had been arrested on or about May 30, 2010 and charged with a motor vehicle related offense for

which she was placed on probation. The probation was ultimately terminated without incident on December 30, 2011.

3.

Reciprocal actions were taken by the State of Illinois and the State of California. On or about September 11, 2015, the Medical Board of California issued a Public Letter of Reprimand to Respondent. On or about September 15, 2015, Respondent entered into a Consent Order with the Department of Financial and Profession Regulation of the State of Illinois, Division of Professional Regulation, in which she agreed that her medical license be reprimanded.

4.

Respondent admits the above findings of fact and waives any further findings of fact with respect to the above-styled matter.

CONCLUSIONS OF LAW

Respondent's conduct and disciplinary action in other states or constitutes sufficient grounds for the imposition of discipline upon her license to practice medicine in the State of Georgia pursuant to O.C.G.A. Chs. 1 and 34, T. 43, as amended. Respondent waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Georgia Composite Medical Board, having considered the particular facts and circumstances of the case, hereby orders, and Respondent hereby agrees, to the following:

1.

This Consent Order shall constitute a public reprimand of Respondent by the Board.

2.

Respondent understands that pursuant to O.C.G.A. Title 43, Chapter 34A the contents of this Order and the California and Illinois actions shall be placed on Respondent's Physician Profile. Furthermore, by executing this Consent Order, Respondent hereby agrees to permit the Board to update the Physician Profile reflecting these actions.

3.

Respondent shall abide by all State and Federal laws regulating her practice as a physician, the Rules and Regulations of the Georgia Composite Medical Board, and the terms of this Consent Order. If Respondent shall fail to abide by such laws, rules or terms, or if it should appear to the Board that Respondent is otherwise unable to practice with reasonable skill and safety to patients, Respondent's license shall be subject to further discipline, including revocation, upon substantiation thereof after notice and hearing, and if revoked, the Board in its discretion may determine that the license shall be permanently revoked and not subject to reinstatement. Respondent further agrees that any violation of this Consent Order shall be deemed to be sufficient to authorize the Board to order summary suspension of Respondent's license, pending further proceedings, pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A. § 50-13-18(c)(1), or any other statute authorizing emergency action, but Respondent understands that Respondent shall be entitled to an expedited hearing to substantiate such violation(s), if the Board exercise such right.

4.

Respondent acknowledges that she is represented by counsel, and that she has read this Consent Order and understands its contents. Respondent understands that she has a right to a hearing, and freely, knowingly, and voluntarily waives that right. Respondent

understands that the Consent Order will not become effective until approved and docketed by the Georgia Composite Medical Board. Respondent further understands that the Board shall have the authority to review the investigative file and all relevant evidence in considering the Consent Order. Respondent further understands that the Consent Order, once approved, and its dissemination shall constitute a public record. However, if the Consent Order is not approved, it shall not constitute an admission against interest in the proceeding, or prejudice the right of the Board to adjudicate the matter. Respondent consents to the terms and conditions contained herein.

Approved, this 9TH day of JUNE, 2016.

INTERIM CONSENT ORDER

By agreement of the Georgia Composite Medical Board ("Board") and GEORGE D. GOWDER, III, M.D. ("Respondent") the following interim disposition of this matter is entered pursuant to the provisions of O.C.G.A. § 50-13-13(a)(4), as amended.

FINDINGS OF FACT

1.

Respondent was licensed by the Georgia Composite Medical Board ("Board") to practice as a physician in the State of Georgia on or about August 10, 1983, and his license expires February 28, 2017.

2.

On or about April 1, 2015, Respondent was arrested in Fannin County, Georgia, and charged with first degree forgery, a felony, and fraudulently obtaining a dangerous drug, a misdemeanor. Based on the information received by the Board these criminal charges are based upon the Respondent fraudulently obtaining oxycodone by forging another doctor's name on a prescription.

3.

On or about July 13, 2015, Respondent was arrested in Union County, Georgia, and was charged with two felony counts of fraudulently obtaining controlled substances, and four felony

counts of obtaining multiple prescriptions for the same controlled substance in a concurrent time period without notifying his healthcare providers. Based on the information received by the Board these criminal charges are based upon the Respondent fraudulently obtaining oxycodone.

4.

Respondent understands that by entering into this Interim Consent Order, he is not admitting the truth of any of the findings or acknowledging any impropriety, but is agreeing that the Board may enter an interim order. Respondent reserves the right to contest allegations against him in any civil, criminal or other proceedings.

CONCLUSIONS OF LAW

Respondent's alleged conduct constitutes sufficient grounds for the Board to exercise its disciplinary authority and to impose sanctions on Respondent as a licensee under O.C.G.A. Ch. 34, T. 43, as amended, O.C.G.A. § 43-1-19(a), and the Rules of the Georgia Composite Medical Board. Respondent waives any further findings of law with respect to this matter at this time, but reserves the right to contest this matter later as provided herein.

ORDER

The Board having considered the particular facts and circumstances of this case, it is hereby ordered, and the Respondent hereby agrees, as follows:

1.

Respondent agrees that Respondent's license to practice medicine in the State of Georgia shall be suspended until resolution of the criminal charges pending against Respondent and the conclusion of an administrative hearing in this matter, or until further Order of the Board. During the period of suspension, Respondent shall not practice medicine in the State of Georgia.

If Respondent practices medicine in the State of Georgia without the prior express written permission of the Board, Respondent's license shall be subject to revocation, upon substantiation thereof. The Respondent also acknowledges and agrees that the Board shall show that Respondent's license is suspended on its data bank and may respond to public inquiries that Respondent's license is suspended.

2.

During the period of suspension, Respondent shall continue to obtain continuing education as required by O.C.G.A. § 43-34-11, and the Rules and Regulations of the Board and shall continue to pay the license renewal fee by and before each expiration date as established by the Board. Failure to obtain the continuing education and pay the license renewal fee shall be grounds for the administrative revocation of Respondent's license without a hearing as provided by O.C.G.A. § 43-1-19(a), with reinstatement within the discretion of the Board. Respondent acknowledges that when considering the reinstatement of an administratively revoked license, the Board has authority to review any investigative file relating to the Respondent.

3.

The Respondent shall notify the Board of the resolution of the criminal charges against Respondent within twenty (20) days of such resolution. After said notification, the Board will forward Matters Asserted and Statutes and Rules Involved to the Office of State Administrative Hearings for the purpose of instituting a hearing on the matters asserted herein, or will make other such arrangements to conclude this matter.

4.

This Interim Consent Order shall be considered a public record of the Board and shall be disseminated as such.

5.

Nothing in this Interim Consent Order precludes the Respondent from subsequently entering into a final settlement of the above-referenced matter by the surrender of his license or a final consent order between the parties.

6.

Approval of this Interim Order by the Board shall in no way be construed as condoning Respondent's alleged conduct and shall not be construed as a waiver of any of the lawful rights possessed by the Board or Respondent to finally adjudicate this matter.

7.

Respondent acknowledges that he is represented by counsel and that he has read and understands the contents of this Interim Consent Order. Respondent understands that he has the right to a hearing in this matter, and Respondent freely, knowingly and voluntarily waives such right at this time in accordance with the terms set forth herein by entering into this Interim Consent Order. Respondent further understands and agrees that a representative of the Department of Law may be present during the presentation of this Interim Consent Order and that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Interim Consent Order. Respondent understands that this Interim Consent Order will not become effective until approved and docketed by the Georgia Composite Medical Board. Respondent further understands that this Interim Consent Order shall not prejudice the ability of the Board to finally adjudicate this matter or constitute an admission against interest in this proceeding. Respondent consents to the terms contained herein.

4.

Respondent shall abide by all State and Federal laws regulating her practice as a physician, the Rules and Regulations of the Georgia Composite Medical Board, and the terms of this Consent Order. If Respondent shall fail to abide by such laws, rules or terms, or if it should appear to the Board that Respondent is otherwise unable to practice with reasonable skill and safety to patients, Respondent's license shall be subject to further discipline, including revocation, upon substantiation thereof after notice and hearing, and if revoked, the Board in its discretion may determine that the license shall be permanently revoked and not subject to reinstatement. Respondent further agrees that any violation of this Consent Order shall be deemed to be sufficient to authorize the Board to order summary suspension of Respondent's license, pending further proceedings, pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A. § 50-13-18(c)(1), or any other statute authorizing emergency action, but Respondent understands that Respondent shall be entitled to an expedited hearing to substantiate such violation(s), if the Board exercise such right.

ORDER OF SUMMARY SUSPENSION

1.

Respondent was licensed, on or about May 10, 2007, by the Georgia Composite Medical Board ("Board") to practice as a physician in the State of Georgia, and has maintained that license at all times relevant to this matter.

2.

Respondent currently holds an unrestricted license to practice medicine in the State of Georgia, which expires on September 30, 2016.

4.

Respondent is also licensed to practice medicine in the State of Colorado, License No. DR-53468.

On or about May 23, 2016, the Colorado Medical Board, State of Colorado, entered an Order of Suspension pursuant to Section 24-4-104(4), C.R.S. which suspended Respondent's license to practice medicine in the State of Colorado, which was effective at 4:00 p.m., Wednesday, May 25, 2016,

6.

The Colorado Medical Board ordered that Respondent's license to practice in the State of Colorado shall remain suspended until resolution of the matter.

INTERIM PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board (“Board”) and Robert E. Windsor, M.D. (“Respondent”), the following interim disposition of this matter is entered pursuant to the provisions of O.C.G.A. § 50-13-13(a)(4), as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice medicine in the State of Georgia and was so licensed at all times relevant to the matters stated herein.

2.

The Board has received information that on or about March 25, 2016, in the United States District Court for the Northern District of Georgia, Respondent plead guilty to false billing charges for surgical monitoring performed by a medical assistant.

3.

For purposes of entering into this Interim Consent Order, Respondent does not contest the findings of fact above. Respondent admits to pleading guilty to felony criminal charges and has waived his right to contest such charges. Respondent agrees the Board

may enter an interim order based on the findings without the necessity of receiving evidence in support thereof or holding a hearing.

CONCLUSIONS OF LAW

In order to resolve the issues identified herein, Respondent herein waives formal conclusions of law with respect to the above-styled matter and does not contest the Board's authority to enter the following order.

ORDER

The Board, having considered all the facts and circumstances of this case, hereby orders, and Respondent hereby agrees, as follows:

1.

Respondent agrees that Respondent's license to practice medicine in the State of Georgia shall be suspended until resolution of the criminal charges pending against Respondent. During the period of suspension, Respondent shall not practice medicine in the State of Georgia. If Respondent practices medicine in the State of Georgia during the suspension then Respondent's license shall be subject to revocation, upon substantiation thereof. The Respondent acknowledges and agrees that the Board may show that Respondent's license is suspended on its data bank and may respond to public inquires that Respondent's license is suspended.

2.

During the period of suspension, Respondent shall continue to obtain continuing education as required by law and the Rules and Regulations of the Board and shall continue

to pay the license renewal fee by and before each expiration date as established by the Board. Failure to obtain the continuing education and pay the license renewal fee shall be grounds for the administrative revocation of Respondent's license without a hearing as provided by O.C.G.A. §43-1-19(1), with reinstatement within the discretion of the Board. Respondent acknowledges that when considering the reinstatement of an administratively revoked license, the Board has the authority to review and investigative file relating to the Respondent.

3.

Respondent shall notify the Board of the resolution of the criminal charges against Respondent within twenty (20) of such resolution. Upon notification there has been a resolution to the criminal charges, the Board is authorized to initiate disciplinary proceedings or otherwise resolve this matter. The Board reserves the right to add additional charges if and when disciplinary proceedings are initiated.

4.

This Interim Consent Order shall be considered a public record of the Board and shall be disseminated as such.

5.

Nothing in this Interim Consent Order precludes the Respondent from entering into a final settlement of the above-referenced matter by the surrender of his license or a final consent order between the parties.

6.

Approval of this Interim Consent Order by the Board shall in no way be construed as condoning Respondent's alleged conduct and shall not be construed as a waiver of any

of the lawful rights possessed by the Board or Respondent to finally adjudicate in this matter.

7.

Respondent acknowledges that he has read this Interim Consent Order and understands its contents. Respondent understands that he has the right to a hearing in his matter and freely, knowingly, and voluntarily waives that right at this time by entering into this Interim Consent Oder. Respondent understands and agrees that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Interim Consent Order. Respondent further understands that this Interim Consent Order will not become effective until approved and docketed by the Board. Respondent understands that this Interim Consent Order, once approved and docketed, shall constitute a public record, evidencing interim action by the Board that may be disseminated as such. However, if this Interim Consent Order is not approved, it shall not constitute an admission against interest in this proceeding, or prejudice the right of the Board to finally adjudicate this matter. Respondent hereby consents to the terms and sanctions contained herein.

Approved this 9TH day of JUNE, 2016.
