Other Business:

1. Board requested the committee to review the 2008 Georgia Board's Guidelines for the use of Controlled Substance for the treatment of pain Policy, and bring it up to date, given the current opioid environment. The committee had proposed adopting the 2017 FSMB opioid guidelines, they received positive feedback from Georgia pain groups in favor of that proposal. However, recently the Board has been made aware that the FSMB is considering modifying their guidelines. Therefore, the Board has chosen to table the idea of adopting the FSMB guideline, until they see the revisions.
