Georgia Composite Medical Board Volunteer in Health Care Continuing Education Reporting Form

Rule 360-15-.01 (3) In meeting the continuing education requirements, the Board will waive one hour CME requirement for physicians for each four hours of documented work by the physician in uncompensated health care services, such as free clinics, up to a maximum of ten CME hours per biennium. In order to receive the waiver, the physician shall submit to the Board documentation of such work at the time of renewal.
