## APPLICATION INSTRUCTIONS FOR ORTHOTISTS & PROSTHETISTS LICENSURE

Please read these instructions and the laws governing the practice of orthotics and prosthetics before completing your application. The Board strongly encourages the use of our website at [www.medicalboard.georgia.gov](http://www.medicalboard.georgia.gov) to download application information.

Orthotists and Prosthetists applications are good for one-year only from date of receipt. **APPLICATIONS WILL NOT BE REVIEWED WITHOUT APPLICATION FEE.**

**NOTE: WE WILL DISCUSS APPLICATION STATUS WITH THE APPLICANT ONLY.**

### **APPLICATION PROCESSING**

It is important to make sure to include your application fee at the time you submit your application. Staff cannot begin the initial review of your application without the fee. Within **10 business days** after receipt of your application, a status letter will follow identifying outstanding documentation, if any, to make your file complete. Submit all required documentation as soon as possible. It is recommended that applicants wait **10 business days**, after mailing their application, or until receipt of a deficiency letter, to contact the staff by phone regarding the status of their application. It is imperative for applicants to understand that the review process is guided by the requirements set forth in State law, which does not provide for any waivers to be granted by staff.

### **BOARD MEETINGS**

In order for an application to go before the Medical Board for approval, it must be received as completed **five (5) business days** before the next scheduled board meeting. Completion of an application is when all primary source documentation has been received and reviewed, your application has met all administrative screenings, a final quality assurance review has been completed on your application, and you have been **advised in writing** from the Board.

### **INTERNET DISCLOSURE OF ADDRESS**

Georgia law requires the Georgia Composite State Board of Medical Examiners to provide, upon written or verbal request, an address for each licensed Orthotist or Prosthetist. Public-record information pertaining to licensed Orthotist or Prosthetist is available to the public through the Board's website ([www.medicalboard.georgia.gov](http://www.medicalboard.georgia.gov)).

The release of this information has highlighted the need for individuals to carefully consider the address they provide to the Board as their address of record. The address you indicate as your address of record will be the address disclosed to all individuals making inquiries and will be utilized to mail all licenses, renewal notices, and other official correspondence from the Board.

**You may choose your home address or your office address to be your address of record. If you list a P.O. Box as your primary address, you must also provide a secondary street address that will remain confidential. Georgia law requires that the Board be kept informed of any changes of address. Changes should be submitted in writing to the above address, and should include the license number, name, old address and new address.**
