

Providing Verification of Licensing Exam History

Below is a handy reference for contacting the appropriate entity to provide a medical licensing board, hospital, managed care organization or credentialing agency with a physician's licensing exam history.

The Federation of State Medical Boards maintains and reports to licensing boards all examination history involving the United States Medical Licensing Examination (USMLE), Federation Licensing Examination (FLEX) and Special Purpose Examination (SPEX). Requests for scores can be made via the Federation's website at <http://www.fsmb.org/transcripts.html> For questions or assistance, please call 817-868-4041 or email: usmle@fsmb.org

The National Board of Medical Examiners' (NBME) website provides information on NBME Parts history at <http://www.nbme.org/programs/nbmecert.asp> For questions or assistance, please call 215-590-9700 or email: scores@nbme.org

Verification of certification by the Educational Commission for Foreign Medical Graduates (ECFMG) and the examinations leading to this certifications can be obtained through <http://www.ecfmg.org/2006ib/ibcert.html#confirmstatus> For questions or assistance, please call 215-386-5900 or email: info@ecfmg.org
