

Vaccine Protocol Renewals

No changes to the protocol

If you are renewing your vaccine protocol and nothing has changed, please sign the last page of the protocol and return to the Board.

Changes needed on your current protocol

If there are changes that need to be made to your protocol (for example, new physician or new pharmacist) please refile a new protocol. A new protocol requires an application fee (\$100) for processing.

You may obtain the forms on the Board's website at the link below:

<https://medicalboard.georgia.gov/vaccine-protocol-registration>

If you need any additional information, please email Jacqueline McLean at Jacqueline.mclean@dch.ga.gov or call 404.463.1015.
